Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 19 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very wet, especially in the south and west. Coastal gales.

This Evening and Tonight:
It will be a wet evening and night, rain heaviest to the south of and over higher ground, especially over south and southwest Wales. Winds easing slightly overnight and feeling mild. Minimum temperature 9 deg C (48 deg F).

Saturday:
Further prolonged rain, locally heavy, through Saturday, before easing off during the evening and clearing overnight. Feeling mild, despite strong to gale force southerly winds. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Scattered showers with lighter winds and the odd sunny spell on Sunday. Dry on Monday, with a sunny afternoon. Strong winds return on Tuesday with some rain too. Mild throughout.
